

Temporary Bridge Over Canal Will Be Built In 10 Days

Electrical Inspector Instructed Not To Engage In Commercial Work

Arrangements for a temporary bridge over the Hittsborough canal and limitation of commercial electrical work done by the city electrical inspector were among important issues discussed by Belle Glade town commissioners at the regular weekly session at the Town Hall Wednesday night. It was decided by a majority of commissioners that no further action would be taken locally in regard to the building of a temporary detour-bridge over the Hittsborough canal at Second street but that recent statements by Brooks Bateman, State Road Department official, assuring the town the bridge will be built, would be accepted as final authority.

Commissioner R. K. Harris reported that he had talked with Mr. Bateman over the telephone.

In Tampa and Miami last week and that at both times he was definitely assured the bridge will be built, "within a week or 10-days." Harris also telegraphed H. T. De Garmo, of the State Road Department, who stated that the department is making arrangements to place warning signs along the canal roads within the dangerous school zone.

Mayor Arthur Wells reported that Sheriff "Bill" Lawrence will send a deputy to Belle Glade to assist in paroling the school zone during maintenance of the chosen detour.

Commissioner Hubert Chamberle reported on the electrical inspection situation and the basis of complaints which have been made by private contractors. It was decided, following a lengthy debate, that the city electrical inspector, Harold Riedel, would be instructed not to engage in commercial contracting work and that private installation will be inspected and a license issued for same by an assistant electrical inspector, to be named soon. A motion was made by the Council approving the appointment of an assistant inspector to inspect private electrical work done by the regular inspector.

An assignment of \$3,500 from the outstanding bill due Don Hillier & Son, Pahokee contractors, for construction work on the new Town Hall, was approved for transfer to the Bank of Pahokee. A 60-day renewal of a note due Powers & Archibald was approved by the council and Mr. Archibald who was also present. Bills totaling \$292.81 from the general town fund and \$124.45 from the waterworks department fund

Chamber of Commerce representative, asked for a general meeting with the council and city attorney in regard to the coming bond election April 4. A meeting was called for Thursday night.

Fire Marshall Lawrence will present the monthly bill for the Volunteer Fire Department totaling \$186.75 which was accepted by the council. Suggestions were also made for the location of a fire truck on the opposite side of the canal to avoid the costly detour by way of "Chosen State Road Department officials will be asked for permission to use the foot-bridge in case of a fire on the opposite side of the canal and to enable firemen to reach the scene as quickly as possible.

G. E. Evans will be asked to allow the storage of a fire truck on his property and tarpaulins will be placed over the equipment for protection against weather. Fire Marshall will also stated that the department answered 16 calls during the month of February and that several costly mock fires made necessary the extra time listed against the department's record. The council agreed to allow Mr. Will to handle the storage of the truck on the north side of the canal.

Karl Riddle, PWA waterworks engineer of West Palm Beach, presented slight changes in the extension system which were accepted by the council. A resolution was adopted containing the changes. Commissioner Kirby suggested that the council agree to the erection of a concrete covering for the waterworks equipment. The council agreed to a construction amount of \$300

for said work to be done by Powers & Archibald Company.

Carl Redmer, city clerk, asked the council for advice in regard to the collection of several occupational licenses from stores engaged in multiple trades. Commissioner R. K. Harris, at this time, made the statement that charges in Belle Glade were being carried too much in relation to other businesses and suggested an adjustment. The clerk was instructed to collect \$22.50 on the first \$1,000 worth of merchandise carried and additional amounts for stock over that figure.

Gainesville Men Attend Rotary

Dr. A. L. Shealy, head of the central Husbandry Department at Gainesville, Dr. W. C. Kirk, assistant animal husbandman and Dr. Wayne M. Neal, associate animal nutritionist, both from Gainesville, will be guests of the Belle Glade Rotary Club at their regular Friday luncheon today.

Dr. Shealy will address the club on the Everglades livestock possibilities and will be introduced by E. W. Kidder, in charge of livestock at the Everglades Experiment station. Following the meeting, Rotarians present will be invited to visit the station for the exhibition.

Guests at the Rotary luncheon last Friday were: Bill Pfeiffer, president of the Homestead Rotary Club; "Bud" Haynes, West Palm Beach Rotarian, who delivered a brief talk; Bill Brunsell, also of the West Palm Beach Ro-

Nursery Project Plans Studied At Meeting This Week

Another Meeting Scheduled For Tonight At Legion Hall

Two meetings in connection with the Belle Glade nursery project were held this week. A general meeting was held Monday at the Community Church, and another was held Wednesday evening at which time the committee members met. Another general meeting is scheduled for this evening at the American Legion hall.

Monday's meeting resulted in instructions to the finance committee to solicit weekly contributions from local business houses and the packing houses. Plumbing installations and general work of the American Legion hall went forward this week and a decision was reached agreeing that all nursery work should be supervised by a thorough medical examination. It is planned to have a general examination of children, general medical examination of all adults employed at the packing houses will be required possibly next week.

It was also learned that a rotary club; C. J. Claudon, Fairbury, Ill.; Will Messick, Rotarian from Salisbury, Md.; Mrs. W. B. Grimes, who has been several members, accompanied by Mrs. Frank Currier; and Harold Webb, student guest of the Club.

man from the Home Mission Board of Washington, D. C., will arrive in Belle Glade Friday to assume certain responsibilities in connection with the project.

Frank Howard, Belle Glade post office chief, presented a list of 60 needy white and 150 colored families in Belle Glade. Arthur Wells and H. T. Holloway went to West Palm Beach later in the week to ask for county and Red Cross aid in feeding these needy families until the spring season opens.

Present at Monday's meeting were: Mayor Arthur Wells, Ralph Kirk, Dr. W. J. Buck, Mr. and Mrs. H. T. Holloway, Mr. and Mrs. H. L. Haney, Rev. and Mrs. J. O. Jameson, Mrs. Thomas Bregger, Mrs. F. D. Stevens, Mrs. J. P. Browne, Frank Franz, Mrs. J. P. Wilson, Mrs. Charles Simmons, Mrs. C. E. Riedel and Mrs. J. P. Scullen.

Wednesday's meeting resulted in discussion of objections to the use of the hall by certain Legionnaires because of interference with activities of the Sons of the Legion rifle range. Proponents of the nursery will investigate availability of unused packing houses for use as a rifle range. At the meeting it was decided to incorporate in a non-profit unit with Arthur Wells, Luther Jones, Mrs. H. T. Holloway and Mrs. Thomas Bregger as directors.

DELEGATION TO ATTEND MEETING

Larry Nash, president of the Belle Glade Lions Club and Chamber of Commerce representative, reported this week that he had received a wire from the Civitan Club at Okeechobee City Monday asking whether a delegation to the State Road Department, meeting at Ft. Lauderdale, March 23, would be necessary.

Nash replied in the affirmative adding that the larger delegation the more would it would add to completion of Road 29 between Kennansville and junction with Road 50.

Brooks Bateman, State Road Department official, informed the Belle Glade Chamber of Commerce last week that the \$250,000 necessary for construction of the strip was available and that advertising for bids would go forward in two weeks.

Important matters concerning Florida's educational program will be discussed when the State Continuing Educational Council meets in Tampa March 16th in conjunction with the state convention of the Florida Education Association. The Educational Council is composed of representatives of the state's civic and patriotic organizations.

Don't let it worry you if you children today don't know a whole lot more than you did at their age. There is a whole lot more for them to know, today.

Have you noticed that it often takes an entirely new spring outfit to make some women forget as well as forgive?

Eat "Out" More Often

Plan a frequent dinner for the family here. Mother will enjoy a break in the task of meal making. You'll find the food delicious, the servings large, and the cost really small. Join the many others who plan a dinner here at least once a week.
